***Subject** Letter No 378-285 dated the 25th October 1902, from the Dy Commr Shimoga District requesting clear instructions as to the limit of Rs 50/- to be spent by the Dy Commr in Urgent cases.

Note In para (2) of Govt order No 5124-35 dk p 228 dated 29th Sepbr) 02, the Dy Commrs are authorised to incur expenditure not exceeding Rs fifty in very urgent cases.

2 The Dy Commr, Shimoga, requests (1) whether he may incur as many items of expenditure as are necessary, each not exceeding Rs 50/- or is the total of all items so incurred to be under Rs 50/- (2) If the latter, the period for which this money limit is to be observed & also requests clear instructions, re- the extent of the powers given in para (2) of the above proceedings

Yes. I do not know why this need go to the Sr Surgeon for opinion

The most satisfactory thing wd probably be to say 50Rs a month, or so ~~If~~ for each town or Taluk. If we say 50Rs each separate work or account, it wd be very easy for the Dy Cr to divide say 'feeding' ~~cts~~ 100 men into 100. Separate accounts & Shed works in a day. He may put up 20 sheds in a village at 50Rs each on separate bills, whereas if an estimate was made, it wd have to go to Govt. We may further restrict say that urgent cases means only those cases in which it is not ~~Govt~~ possible to wait for Govt sanction Otherwise a permanent advance shd be placed or letter of credit shd be given to each Dy Cr, who shd not overdraw in any

In the absence of the original order before me, as well as of the cancelled* notes, I am unable to say under what circumstances the limitation of 500 Rupees was imposed, nor what - if any - reference to their number was made by the Dewan when he asked for the order. I would say that the 500 Rupee limit in the case of Dr Coward & the 200 Rupee limit in that of the Senior Surgeon was intended to cover each case and that all that is required is that no Dr should incur expenditure on his own account - in regard to each case - for more than the amount placed at his disposal by the Senior Surgeon for expenditure during that month.

The Legation think that the Dewan's proposal is reasonable & I am willing to agree to the order he has proposed.

Note - I wrote a letter - to the Legation - on 26.10.09 - asking for a ruling on this question - because I was not sure - whether the Dewan's proposal - was intended to cover each case - or each Doctor - because if the latter - I should not have been able to agree to it - as it would have left me powerless to control the expenditure.

* As the original order has been destroyed in connection with an Extract from the same book written for Dr Coward - dated 29.10.09 - the limitation in question was imposed by

⊕ I had not seen Dr Coward or other Drs of the Hajj Conference at

A draft as suggested by the
2nd Councillor is submitted
together with the file about
